

# IES CRITICAL PROCEDURES COURSE

## THE OPPORTUNITY

Join us for the IES Critical Procedures Course, a comprehensive, hands-on course led and designed by Elizabeth Fagan, MD, FAEMS, FACEP, Director of Education and EMS at IES, to ensure that IES Physicians and APPs maintain proficiencies in high-risk/low-frequency critical procedures.

## LEARNING OBJECTIVES

- Demonstrate the importance of incorporating a checklist in central line insertion procedures.
- Perform advanced airway procedures with the use of equipment available in your routine working environment.
- Justify the value and utilization of ultrasound for peripheral IV access.
- Perform high-risk procedures encountered infrequently.
